

NALOXONE TRAINING

EVERY FRIDAY 2PM

Naloxone Training

The Marion County Health Department is offering FREE training to the public on the proper response to a possible overdose and the proper use of the Naloxone. At the end of each training, each participant will receive a FREE Naloxone Kit (2 dose kit). For additional information and/or to get signed up please contact the *Marion County Health Department* at (304)366-3360.
